

Sit in a chair and keep the sweets that you started with but no others

Eat only your sweets, no others and observe everyone around you, finishing the task with no sweets

Collect 10 sweets of any colour except blue

Collect as many sweets as possible but no blue ones

Smile at everyone and hold your sweets out for everyone to take, but finish the task with just one sweet, but no blue

Give away all your sweets of any colour except blue, finishing the task with 5 sweets

Give away all your blue sweets

Give away all the sweets on your plate to one person, no-one else.
